Re: Cadwalader, Wickersham & Taft LLP v. OneBeacon America Insurance Company, Seaton Insurance Company and Cavell USA Inc. (05 Civ. 4244 (RMB) (RLE))

Dear Judge Berman:

We are the *pro se* plaintiff in the above-referenced action and write to request that the Court stay its August 12, 2005 Order of Discontinuance. While the parties have accepted the settlement recommendation of Magistrate Judge Ellis, the parties are still in the process of formulating the terms of a formal settlement agreement. We expect this process to be completed within the next week or two, following which we will file a stipulation discontinuing this action with prejudice.

Cadwalader Wickersham & Taft v. Onebeacon America Insurance Company et al Doc. 13

Respectfully submitted,

Michael K. Robles
